### A Tremendous Presentation of Winter Coats—Every Woman's Coat In Stock Included

For the Anniversary Sale we have divided our entire assortment of Winter Coats into three comprehensive groups as follows: Any one of these warrants your close attention:

#### First Group Coats at \$15.00, \$25.00, \$35.00 and \$50.00

Included are 4 excellent grade of sport, draped, bloused and loose back types. Some have self collars and cuffs while others are distinguished by lustrous fur collars and cuffs. Most extraordinary values.

#### Second Group Coats at \$65.00, \$75.00, \$85.00 and \$100.00

This division is devoted to the dressy type of Coat. The Mandarin sleeve is prominent here. Marten, beaver, squirrel, caracul, fox, mole and wolf are furs which are much in evidence.

#### Third Group Coats at \$125.00, \$135.00 and \$150.00

In this group there are many distinctive, individual models to select from. The tailoring of these garments is one of their most notable characteristics, being of the highest type imaginable. The big fur collars and cuffs are exquisite.

### Winter Suits In Smart New Styles Reduced 25% in Price

This reduction affects every Winter Suit in the store. Included are Tricotines and Poiret Twill models. Some fur trimmed. The Russian blouse, the drape and the long jacket models are most prominent. Tailoring is excellent and perfect fit is assured.

### A Most Inviting Display of Beautiful Wool Dresses Very Reasonably Priced for the Occasion at \$25.00 and \$39.75

Wool Dresses are decidedly in favor this Fall and Winter. They have the proper amount of style yet they are just right for a general utility Dress. We have arranged two attractive groups of these most distinctive models. Poiret Twill is featured in bringing out the blouse, draped and side panel effects. The trimmings are mostly of steel beads, braid and embroidery. Side buckles are also much in evidence. A good buy for any woman.
